**Meeting: The Meeting was called to order by Mr. Haskin at 7:30pm**

- 1) Vote to approve January minutes-5-0 to approve.
- 2) All electrical work done in St. Mary's County that does not require a building permit will require a no cost electrical permit. The permit will be obtained through Planning and Zoning. Once the permit is obtained than the electrician can file for an inspection at the inspection agency he uses.
- 3) We are still meeting with SMECO and Harry Knight to work out how the third party inspection will work. This is still a work in progress. The board has reviewed an instruction sheet concerning third party inspections presented by Mr. Harry Knight. The board voted 5-0 in favor of accepting this instruction sheet.
- 4) The County Attorney sent the paperwork to the board to start the process of eliminating the home owners exam. This paperwork will be filled out and submitted to eliminate the exam. The board was in favor of this action by a vote of 5 in favor and 0 opposed. The Board is requesting Mr. Knight to submit the paperwork to start the process of eliminating the home owners exam. The paperwork was submitted to the County Commissioners. The County Commissioners voted in favor of the paperwork to eliminate the home owners exam. The meeting in December appeared to go well. The legislation should be submitted as written. The legislation was rejected and will need to be resubmitted next year.
- 5) Mr. Haskin has scheduled another code refresher course on March 7th and 21st<sup>h</sup>. This will meet the 10 hour requirement for the State of Maryland and many counties. The class currently has 25 students enrolled. All other students will be placed on a waiting list.
- 6) A new license application will be placed on the electrical boards web page that covers Master, Low Voltage and Restricted. This application will simplify the process.
