

FDR BOULEVARD - PHASE 3

Construction Update Fall of 2024

FDR Boulevard Phase 3A (MD 237 to Buck Hewitt Rd. - 0.8 mile)

The contractor is currently completing final punch list items pertaining to improving stabilization and finalizing the stormwater management as-built plans prior to the County's issuance of final acceptance. Roadway is open to traffic.

FDR Boulevard Phase 3B (Buck Hewitt Rd. to Pegg Rd. - 1.0 mile)

Design and property acquisition was completed this past winter, and the project was advertised for construction. The contract was recently awarded to Great Mills Trading Post, from Great Mills, MD, and construction will begin on October 22, 2024. Construction will take approximately 20 months to complete. Utility relocations by Washington Gas and SMECO have been completed. This phase will include a new traffic signal at the proposed FDR Boulevard and Pegg Road intersection, with an interconnect to the MD 235 traffic signal system. Please drive with caution and be aware of construction vehicles/workers along the roadway when construction begins.

If you have any questions, please contact the DPW&T Project Manager at 301-475-4200, ext. 3525. This Construction Update was prepared by the St. Mary's County DPW&T.
