➤ **New Business:**

a. MLK Day

Recap of the event, members who were present were extremely impressed with Maj.Gen. Singh's speech and inspirational story. The speaker for next year has already been contacted and we should know if they would be able in next few months.

b. Membership/Recruitment

This is a carry-over from a previous meeting. The members want diversify the membership to be more reflective of the community.

c. Outreach to community during the current climate

Due to climate associated with the election and some activities that have occurred on national level, the members were interested in ways that might be involved in creating a dialogue around diversity. Members want to research the possibility of looking at doing the Study Circles' program.
