Additional paperwork should be submitted at registration or emailed to the program coordinator prior to the start of your program.
- If special accommodations are needed for medical or behavioral conditions, medications, allergies, dietary restrictions or other needs, be sure to select YES to the special accommodations question at the time of registration. Additional information may be requested.
- For summer camp, a \$25 deposit is required at the time of registration to reserve a spot for your child, with the remaining balance on account due two weeks prior to camp.
