Services are offered that make it comfortable for residents over the age of 60 to age at home. The three core services in the program are home maintenance, service navigation, and transportation. The members plan to learn more about this program in hopes of St. Mary's County becoming a provider. The plan is to talk to the Secretary of the Maryland Department of Aging regarding the program on July 13th. Members also have plans to talk to Anne Arundel, a county that is a current program provider.
